AFFIDAVIT OF TRUTH ACTUAL AND CONSTRUCTIVE NOTICE

Copies of this affidavit and all IT attachments are being supplied to listed parties.

**NOTICE OF REQUEST FOR COMPLETE RETURN OF TAXES OBTAINED THROUGH
CONSTRUCTIVE FRAUD, FIVE DAMAGES UNDER APPLICABLE UNIFORM COMMERCIAL
CODE, COMMON LAW, CONSTITUTIONAL LAW, AND OTHER AFFIDAVIT OR CASE LAW EVIDENCE
IN SUPPORT THEREOF, AND DISCLOSURE OF ANY SIGNATURE OR ANY CONTRACT OR
AGREEMENT ENTERED INTO WITH THE IRS OR ANY AGENCY OF THE U.S. GOVERNMENT,
THROUGH THEIR CONSTRUCTIVE FRAUD, VIOLATION OF LAW, AND UNDER NON-DISCLOSURE
OR WITHOUT FULL DISCLOSURE.**

Please take **NOTICE** that I hereby add the following facts of law in support of this Affidavit of Truth and request for return and damages through which the IRS and all related co-conspirators are **affidavits being placed on Actual and Constructive Notice**, and request this affidavit and attachments be added to my Individual Income Tax and previous affidavits. This is additional legal evidence of non-disclosure or lack of FULL disclosure of related facts by the IRS and other parties, and that continued constructive fraud against me. **(English enter throughout affidavits and attachments)**.

1. In years past, I had been influenced and misled by the news media, including IRS press releases, tax programs and by a mainstream public, who believing that I was **subject to and liable for the so-called "income" tax**, and that I did not file Form 1040 Income Tax Returns and other IRS forms and documents by the April 15th deadline I would be subject to a fine and jail sentence. I no longer believe this to be Constitutional, legal or true in the slightest, and believe that the IR Code provides NO legal "income" tax liability documentation for most Americans. **(See Attachment F)**.

2. I have also learned and believe that the so-called "social security" tax was fraudulently presented to the American Public as an "omnibus" trust fund, with funds to be kept in a separate account for all Americans, and yet to just another unconstitutional and illegal tax on most Americans, and that these funds are simply added to the general government

Page 2

account, thereby eliminating any such "fund" from real existence, and deceiving the public with continued dialog regarding such fund. The "Medicare" tax is also another unconstitutional, illegal tax. **(See Attachment M)**.

3. I had also been influenced by employers who indiscriminately require individuals to sign W-4 forms (Employer's Withholding Allowance Certificate) and provide social security numbers in order for the individuals to obtain jobs, but have come to learn that this is being fraudulently enforced, and that a SSN is NOT required for employment or for bank accounts and other things. **(See Attachment M)**.

4. I have since learned and believe that by signing tax forms and providing a social security number, commonly called a "Taxpayer Identification Number", I was providing **prima facie evidence**, whether factually true or not, indicating that I believed I was a person subject to and liable for a revenue tax, and a person who supposedly recognized a legal obligation
