Writing Model Problem-Solution Essay

Prompt: Write an essay in which you explain a problem and propose one or more solutions.

Problem → 1. In my community, we have a problem with
Problem Detail → people not tying their garbage bags properly. Then animals get in to open bags and spread the garbage around. Spilled garbage is smelly, and it makes the neighborhood look awful. One solution is to educate the community. For example, the town can run an ad campaign, or the newspaper can print editorials.
Solutions →
Solution Detail → Another solution might be to have an event called Safe Garbage Day. Officials can hand out free garbage bags. They can also print out instructions on How to Bag. Maybe the garbage problem will disappear.

Problem → 2. A problem in my community is that there are too many stray cats. They make a lot of noise, waking people up at night. They also attack birds.
Problem Detail →
Solutions → One solution might be to get help from the local animal shelter. They can round up stray cats and give them shots and a health checkup. Another solution
Solution Detail → might be to have the strays become pets. We can have an Adoption Fair and place ads in the newspaper. Cats will have happier lives if they are healthy and loved.
